Summer Camp

During this summer our scouts went to Camp Chawanakee. Everyone had a wonderful and enjoyable time at camp. Scout Xavier got a fever during that week, but he pushed through it like a soldier. Plus, the Scouts earned the Spirit Arrow for best Scout Spirit.

Long Term Backpacking

On this year's long term backpacking trip, our strong legged scouts went from Rock Creek Lake to North Lake. The adventurers trekked from the grassy foothills, to rocky mountains, then snowy peaks, and eventually back down as well. The scouts had an absolutely wonderful time in experiencing God's creation, and working together to make the trip enjoyable.

Swim Meet

For this annual swim meet, the scouts went to Peninsula High School once more, with vigor! The scouts had an exquisite time, while

tearing through the waters and competing against other troops.

Hope Refuge Camping

Hope Refuge was a very successful project, and the scouts had a jubilating time there. Much work was done to help the owners and aid in the work of God.

Car Wash

The car wash fundraiser was definitely a huge success. Our hard-working scouts worked efficiently, diligently, and happily. The customers' cars left squeaky clean.

Topock Gorge Canoe

Our scouts canoed for three days at Topock Gorge, and witnessed the beautiful works of God. They had a splashing time while canoeing and camping.

Fishing Trip

The fishing trip at Jess Ranch Lakes was an absolute blast! Scout Steven Yi got the trophy for heaviest fish caught; the fish was a whopping 4.2 pounds! Scout Romeo got the trophy for most fish caught; he caught an astonishing 7 fish!
